Industrial Mechanic Technician – Columbia, SC

Job Type: Full-time, hourly, non-exempt.

Hours: Second Shift, Monday – Thursday, 4:00 pm – 2:30 am.

Salary Range: **\$20.00 - \$24.00/hour** plus rich benefits package, paid days off, holiday pay, 401(k) matching

Who We Are:

[AVANTech, LLC](#) solves some of the most challenging problems in the water industry – from being first responders to the [Fukushima Nuclear Plant](#) meltdown to implementing patented first-of-its-kind technology. AVANTech’s goal is to improve the environment around us and support our clients with innovative, sustainable water treatment solutions. We are hiring an experienced **Industrial Mechanic Technician** to join our team in **Columbia, South Carolina**.

Benefits of Working at AVANTech:

- Generous paid time off and holidays
- Great opportunity for advancement with a growing company
- Varied insurance offerings with employer matching
- 401(k) savings plan with employer match

Who You Are:

The **Industrial/Mechanic Technician** must have the ability to read blueprints and be able to follow design specifications. A working knowledge of electrical wiring and instrumentation and controls is a plus.

A Day in the Life:

- Ability to use an impact wrench and all hand tools.
- Ability to read blueprint drawings and mechanically assemble and disassemble piping and valves.
- Mechanically install instrumentation in water treatment piping. Examples: pressure indicating transmitters, pressure gauges, etc.
- Understanding of valves, flanges, and gaskets.
- Mechanically able to glue PVC Piping together using a PVC Piping drawing.
- Forklift and scissor lift experience required.
- Ability to use an overhead crane.
- Ability to follow blueprint drawings and bend stainless steel tubing a plus.

- Must be able to work in confined spaces.
- Hydrostatic testing experience is a plus.
- Electrical wiring experience is a plus.

What Will Set You Up for Success:

- Candidates that have HVAC, plumbing, electrical, or auto mechanic experience a plus
- Ability to be flexible and responsive to changing business needs.
- High school diploma or equivalent
- All candidates must be able to pass drug test, pre-employment physical, and possible background investigation.
- A high level of safe working practices is vital.
- Must have valid driver's license.
